

Woodrow Township

Annual Budget for 2026 Meeting

February 10, 2025

Chairman Colter Peterson called the meeting to order at 4:00 PM. Supervisor Scott Wold, Supervisor Alex Haagensen and Treasurer Tim Mueller were in attendance.

The Board reviewed spending from past fiscal years and adjusted anticipated revenue and expenditures for the calendar year 2026. There was discussion to increase the Fire Fund by 3.4%. The gas tax and certificate of deposit (CD) did not influence these increases.

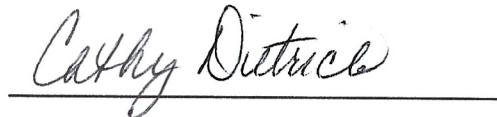

Discussions surrounding the gravel pit depletion and the Capital Improvement Plan was had. At this time the township does have in budget the making of gravel in 2025 but need to look at supply and costs during next year budget meeting. For the Capital Improvement Plan there is no project at this time, but the current work being done with Sonmor consulting is the creation of a policy for assessments. Neither of these items affect the 2026 budget.

The scanning of township paper documents stored in filing cabinets and not already available in electronic form was approved in 2023 at a cost of ~\$6K. This project had not started yet but will begin this year in 2025.

The meeting was adjourned at 7:30 PM.

Chair, Colter Peterson

Clerk, Cathy Dietrich
