32 St. NW		0.9	Citizen Steve Shallbetter emailed: The road condition between 914 and 934 32nd Street NW, though dry now, when the road is wet it becomes a mess to drive on. Please add some "real" class 5 to the road. Cathy Note: I explained issue to Lott Excavating and they looked at this while grading. Agreement this area needs more gravel.		
Knotty Knoll Drive NW	16	0.5			
Sunny Acres Drive NW		0.4			
Sunny Acres Lane NW		0.2	Cathy Note: Years 2023 and prior township had notes this was a private road. Did this change in 2024 or were prior years incorrect? Clerk has no notes of a change. Citizen Mike at end of road commented: Road soggy in low spot where culvert was added. Doesn't seem to have enough gravel added after the culvert install. Cathy Note: I explained issue to Lott Excavating and they looked at this while grading. Agreement this area needs more gravel.
